21 MUNICIPAL STRATEGIC STATEMENT

05/07/2012
C24

The Municipal Strategic Statement has been developed as an overall land use strategy for the Indigo Shire. The Statement is to be read in conjunction with the Council Plan that provides the overall corporate direction for the Shire.

Clause 21.01 provides an overview of the Shire under the headings of **Settlement, Environment and Economic Development.**

Clause 21.02 summarizes the key issues that influence planning within the Shire.

Clause 21.03 describes the vision for the future of the Shire under the heading of **Vision – Strategic Framework.**

Clause 21.04 sets out the key issues and challenges, objectives for the future use and development of the Shire, the strategies by which the objectives are to be met and the means of implementation under the heading of **Key Issues - Objectives – Strategies – Implementation.** These have been grouped under the following Clauses and headings:

Clause 21.04-1 Settlement – including sustainable management of settlement in urban and rural areas, encouraging the provision of both physical and social infrastructure in a sustainable manner.

Clause 21.04-2 Environment – including the appropriate management of natural resources, cultural heritage and environmental risks.

Clause 21.04-3 Economy – including the protection of existing contributing sectors and the development of a diversified economy specifically supporting agriculture, industry and tourism.

Clause 21.05 sets out the objectives for the future use and development of each township within the Shire, the strategies by which the objectives are to be met and the means of implementation.

Clause 21.05-1 Beechworth

Clause 21.05-2 Rutherglen

Clause 21.05-3 Chiltern

Clause 21.05-4 Yackandandah

Clause 21.05-5 Wahgunyah
