

19/01/2006
VC37**SCHEDULE 2 TO THE SPECIAL USE ZONE**

Shown on the planning scheme map as **SUZ2**.

PRIVATE UTILITY INSTALLATIONS**Purpose**

To provide for areas in private ownership to be used for the purposes of essential service utility installations.

To ensure that the development of these facilities takes place in an orderly and proper manner and does not cause a loss of amenity to the surrounding neighbourhood.

Use of land

Application Requirements

An application to use land must be accompanied by the following information as appropriate:

- The purpose of the use and types of activities which will be carried out; and
- The likely effects, if any, on the adjacent land including noise levels, traffic and hours of operation.

Decision Guidelines

Before deciding on an application to use land, the Responsible Authority must consider the following as appropriate.

- The effect that the proposed use may have on existing uses; and
- The effect that the proposed use may have on the amenity of the neighbourhood.

Requirement for development plan

Before the construction of any buildings and works, or before the use commences, a development plan must be approved by the Responsible Authority. The plan must show:

- The layout and use of the existing and proposed buildings and works, driveways, car parking and loading areas;
- Construction details of all drainage works, site access arrangements, vehicle parking and loading areas;
- Details of existing and proposed landscaping, including perimeter landscaping treatments;
- The appearance and bulk of buildings having regard to the adjoining zones, especially the relationship with residential areas; and
- The effect of the proposed buildings and works on the amenity of the neighbourhood, including the effects of noise, lighting, overshadowing and privacy.
