Decision guidelines

Before deciding on an application, the responsible authority must consider:

- Any siting and design guidelines adopted by the responsible authority.
- Any relevant comments from the Department of Sustainability and Environment.
- The effect any proposed access works will have on the integrity of the Warm Temperate Rainforest Gully.
- The effect of the bulk, siting and design of any proposed access works on the integrity of the Warm Temperate Rainforest Gully.
- Any effect on the future management and maintenance of the Warm Temperate Rainforest Gully.
