Requirements for development plan

The development plan must describe:

- The maximum number of dwellings.
- The location and height of all building envelopes.
- The general location of all primary vehicle access points on Brewer and Victor Roads (individual carports/garages are permitted along Brewer Road). Crossovers are to be shared wherever possible.
- The location of all vehicle entry and exit points to and from the site.
- Traffic generation, impact and necessary remedial works.
- The location and layout of all car parking areas and access to and from them.
- The location and layout of all loading areas and access to and from them.
- The location of the north and south garden courts which are major landscape features of the development.
