C97**Land or development excluded from development contributions plan**

Exemptions from payment of development contributions apply where there is no substantial increase in the demands placed on infrastructure associated with the developments. Exemptions apply in the following cases:

- Home renovations and alterations, provision of outbuildings and fences.
- Reinstatement of the pre-existing standard of buildings damaged by fire, flood, storm.
- Demolition of a building followed by construction of replacement building(s) on the same site. The exemption applies to a single dwelling to replace the one demolished, but not to a second or subsequent dwellings also erected on the site.
- The original Saltwater Crossing (Footscray) and Village Green (former Yarraville Secondary College) development sites, as Council has already issued approval for these developments, and contributions were made towards community infrastructure / open space development.
- The “Cedar Woods” site, land generally bounded by Barkly Street, Hocking Street, Cross Street and Warleigh Road, Footscray as agreements for community infrastructure requirements have been made between the developers and Council.
- The former Bradmill site at 341-351, 355-359 and 361-367 Francis Street, as agreements for community infrastructure requirements have been made between the developers and Council.

Requirements of development contributions plan

31/07/2008
C54

Any permit or agreement facilitating residential development must contain a requirement for a development contribution in accordance with the provisions of the Maribyrnong City (south of Ballarat Road) Community Infrastructure Development Contributions Plan.

All net new dwelling development (ie development which adds to the housing stock) occurring in the area affected by this schedule, with those exclusions above, will be required to contribute towards identified community infrastructure in accordance with the provisions of this schedule.

The owner of the land at the time the building permit is obtained will be responsible for the payment of the contribution. The contribution will be payable as a cash contribution prior to the issue of the building permit, or within a specified time agreed to by the owner and the responsible authority.

Note: This schedule sets out a summary of the costs and contributions prescribed in the development contributions plan. Refer to the incorporated development contributions plan for full details.
