

## OPERATION OF ZONES

In each zone and schedule to a zone which contains a table of uses, the controls over the use of land are divided into three sections.

### Section 1 Uses

A use in Section 1 does not require a permit. Any condition opposite the use must be met. If the condition is not met, the use is in Section 2 and requires a permit unless the use is specifically included in Section 3 as a use that does not meet the Section 1 condition.

### Section 2 Uses

A use in Section 2 requires a permit. Any condition opposite the use must be met. If the condition is not met, the use is prohibited.

### Making decisions about section 2 uses

Because a use is in Section 2 does not imply that a permit should or will be granted. The responsible authority must decide whether the proposal will produce acceptable outcomes in terms of the State Planning Policy Framework, the Local Planning Policy Framework, the purpose and decision guidelines of the zone and any of the other decision guidelines in Clause 65.

### Section 3 Uses

A use in Section 3 is prohibited.
