ACTIVITY CENTRE ZONE

Shown on the planning scheme map as **ACZ** with a number.

Purpose

To implement the State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.

To encourage a mixture of uses and the intensive development of the activity centre:

- As a focus for business, shopping, working, housing, leisure, transport and community facilities.
- To support sustainable urban outcomes that maximise the use of infrastructure and public transport.

To deliver a diversity of housing at higher densities to make optimum use of the facilities and services.

To create through good urban design an attractive, pleasant, walkable, safe and stimulating environment.

To facilitate use and development of land in accordance with the Development Framework for the activity centre.

General

- The State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.
- The development framework plan set out in the schedule to this zone.
- The land use and development objectives set out in the schedule to this zone.

- The extent that the layout and design of the new use or development minimises the potential for off-site impacts, including from noise, fumes, odour or vibrations, ensuring that:
 - existing uses are not compromised by a new development, or
 - a new development is designed to address amenity impacts from existing uses.
- Any requirements set out in the schedule to this zone.
- Any other decision guidelines specified in the schedule to this zone.

Access

- Movements systems through and around the site including the movement of pedestrians and cyclists, and vehicles providing for supplies, waste removal, emergency services and public transport.
- The provision of car parking, loading of vehicles and access to parking spaces and loading bays.

Use

- The interim use of those parts of the land not required for the proposed use.
- Whether the use is compatible with adjoining and nearby land uses.

Subdivision

- The pattern of subdivision and its effect on the spacing of buildings.
- For subdivision of land for residential development, the objectives and standards of Clause 56.

Design and built form

- The design, scale, height, setback, appearance and material of the proposed buildings and works.
- The provision for solar access to the building and on the public realm.
- The design of the public realm.
- The relationship between the proposed building and the public realm.
- The streetscape, including the conservation of buildings, the design of verandas, access from the street front, provision of active frontages to pedestrian areas, the treatment of the fronts and backs of buildings and their appurtenances, illumination of buildings or their immediate spaces and the landscaping of land adjoining a road.
- The interface with adjoining zones, especially the relationship with residential zones.
- The objectives, standards and decision guidelines of Clause 54 and Clause 55. This does not apply to an apartment development.
- For an apartment development, the objectives, standards and decision guidelines of Clause 58.
- The storage of rubbish and materials for recycling.

Transitional provisions

The objectives, standards and decision guidelines of Clause 55 of this scheme, as in force immediately before the approval date of Amendment VC136, continues to apply to:
